CAGBC Member Discounts: ZCB-Design registration discounts are determined automatically based on the current CAGBC membership status of the person registering the project online. To be eligible for discounts on ZCB-Design and ZCB-Performance fees, the building owner or property management organization must be a current CAGBC Specialist member. For public-private-partnership (P3) design projects, the organization that owns the building or any organization that is a member of the P3 consortium responsible for financing may qualify the project for discounted rates at certification.
